Important information regarding medical equipment:

During EMSS17 a pen light/pen torch will be needed. Unfortunately we are not able to provide a pen light for all of our attendants. Therefore we strongly encourage you to purchase a pen light.

Regarding stethoscope and white coat, we will do our best to provide it for you when needed.

If you already have your own medical equipment listed above – we strongly encourage you to take this with you so you can practice with your own equipment.

We look forward to seeing you! 😊
